

# Volunteer & Internship Training September 2023 Schedule

Thank you for your interest in volunteering with Lines for Life! Our call center answered over 167,000 contacts in 2021 and we could not provide these services without the generous commitment from our volunteers and interns.

Crisis line training follows a hybrid format, with both virtual and in-office sessions. Training requires many hours of independent learning online in addition to the scheduled classroom curriculum – so expect to have homework!
