

MENTAL HEALTH TRAINING FOR EVERYONE

Suicide Prevention Education and Crisis Intervention Training for
All Community Members and Professionals

Lines for Life offers various training to help community members, educators, providers, and others recognize and address signs of crisis in our communities.

These basic knowledge and skills are important for everyone to have to utilize both professionally and personally – be prepared to help someone who is struggling.

**Check out our free and low-cost training opportunities.
CEUs (Continuing Education Units) included!**
