

# 2019 Oregon Suicide Prevention Conference

COMMUNITIES BUILDING HOPE TOGETHER

MARCH 13-15, 2019 | SUNRIVER RESORT, SUNRIVER, OR

## Youth Suicide Prevention, Intervention and Postvention in Schools

Wednesday March 13, 2019

8:30am to 11:30am;  
Plenary lunch;  
3:00 pm to 6:pm

This presentation will help school personnel design and implement prevention and intervention plans that identify and support suicidal students. The suicide of a staff member or a student is a very challenging time for schools and best practice postvention procedures to reduce contagion will also be shared. Participants will recognize the prevention lessons learned from legal cases where schools have been sued after a student suicide.

### Participants will:

- Identify protective factors and primary prevention programs to prevent youth suicide.
- Identify key myths about suicide.
- Design a comprehensive best practices model for suicide prevention, intervention and postvention in the schools.
- Identify the relationship between self-injury and suicide.
- Identify best practices in suicide postvention.
- Identify the lessons from a number of legal cases where schools were sued following a youth suicide.
- Recognize the complex relationship between bullying and suicide.

Trainers: Dr. Scott Poland

Dr. Scott Poland is a Professor at CPS and the Co-Director of the Suicide and Violence Prevention Office at Nova Southeastern University.

Certification:  
6 CEU's through NASW

Cost: \$125.00

## Register Today!

Don't miss this rare opportunity to participate in this meaningful training that will build capacity and comprehension around suicide prevention and response.

Register today. Space is limited.
